GENERAL AND REVENUE DEPARTMENT.

SIR,

I have the honour to state that a special grant was made by Government in 1900, for the construction of Police lines for the men, and quarters for the petty officers on the Gold Field. For the proper upkeep of these buildings a small rent has been levied from the officers and men on the field, which they have gladly paid. This amount now aggregates Rs 473-2-0 under head "Police works miscellaneous receipts" and has been credited

credited to Government in accordance with Government Proceedings No 221-2/7 dated 25th July 1903.

As these lines were built by Departmental agency viz, the Deputy Commissioner of Kolar, the repairs cannot therefore be looked after by the Public Works Department, Special arrangements to meet the cost of the upkeep of these buildings were made by the levy of a small rent, the total proceeds of which now amount to a considerable sum. I request that as a special case, I may be authorised to spend at any time, any amounts that may be necessary for repairs etc of these lines and quarters, out of the amounts realized from rents. I request that you will kindly move Government to sanction the proposal.

I have the honor to be,
Sir,
Your most obedient Servant,

SIR,

Reference:-

Government Proceedings No. J. 2622-3/Police 148-2 dated March 1905 regarding the question of the utilization of the rent collected for the repairs of Police Lines in the Kolar Gold Fields.

---

I have the honor to state that I am aware of the principle that departmental receipts should not be utilized for departmental purposes,

account-

and it was on that a/c I made the reference to Government.

2. I have stated in my former letter that the rents levied have already been credited to Government.

3. I request therefore that Government, if they are unwilling to give me a General sanction to expend these rents will kindly give me a Special grant of Rs 470/- for the repairs of the lines and Quarters on the Gold fields in 1904-05.

4. Unless annual repairs are carried out, the Rs 50,000/- expended by Government on the Police buildings on the Gold Fields will be wasted, and these buildings will speedily deteriorate. I request therefore that an annual allotment of Rs 500/- be made for the upkeep of the Police Lines, Stations, and Quarters on the Gold Fields.
